

Food Closet Policy on Refusal of Services

The Food Closet is dedicated to serving food to those in need and intends to be inclusive in that service. The Food Closet is a volunteer organization and wishes to provide a safe environment for those who give of their time.

In the event of a situation of a client where their behavior or activity results in either or both of the following will result in refusal of services:

1. Is a danger to staff, volunteers, or other clients.
2. Interferes with the functions of the Food Closet.

It will be clearly stated to the client that our decision is based solely on their behavior or activity.

The client will be redirected to other services in the community that they may access.
